We'll be playing musical games and winning prizes throughout the day.</p>	<p>Our resident martial artist and actor, Sean, will be leading us through a series of workshops throughout the day. We'll be playing games, winning prizes and having fun while we build our confidence and learn new skills with our friends!</p>	<p><i>Ready? Set? Go!</i> Taking inspiration from the recent Commonwealth games, we'll be participating in a series of competitive events and making the most of the sunshine! Track and field, cross country and handball are all on the roster. There will be a medal ceremony at the end of the day, with plenty of prizes to be handed out!</p>	<p>An interactive workshop with an experienced wildlife officer awaits! We'll have the opportunity to get up close and personal with a host of Australian animals, including the bearded dragon, ringtail possum and even the carpet python! The officers from the Australian Wildlife Sanctuary will teach us all about the animal's diets, habitats and ecosystems, as well as our conservation efforts.</p>	<p>To finish off the first week of the Spring holidays, we'll be walking one of the local bushtracks, Two Creeks Track.
