Lyrebird 17 June 2022

Premier Debating Team

Our Premier's Debating Team competed in round 2 on Wednesday, 15 June.

'That parents should only let kids have screentime if they're watching with friends and family' . What do you think?

This was the topic that the LEPS 'Lyrebirds', our Premier's Debating Team debated on Wednesday (they were arguing the negative). The team consisted of Year 6 students Joshua N, Spencer C, Tait C and Mina K.

We hosted the Year 6 team from Cammeray PS and, unfortunately, we narrowly lost this debate. They did a great job and came up with some relevant arguments.

Thank you to Mina K who stepped in as reserve at the last minute.

It was wonderful to get back to face to face debates with other schools, instead of over Zoom.

Menindee Trip 1

https://lindfieldestps.schoolzineplus.com/_file/media/7448/menindee_speeches.pdf

Lindfield East PS have a very strong connection with Menindee Central School. This week all students participated in the Menindee Disco which was a SRC fundraiser for when the Menindee students visit our school later this year. The money raised at the disco allows our students to support our Menindee visitors to come and visit us in the city. Thank you to everyone that contributed and supported this fun event. The hall was a fun and sparkly place, with the disco ball and fancy lights setting the disco scene.

Sentral Parent Portal Daily Notifications

This week we had the introduction of the Sentral Parent Portal daily notifications. Thank you to all the families that have uploaded the Sentral app onto their phone. All families K-6 are linked to this system. It is an easy way for families to monitor and watch their child's attendance. Strong student attendance is linked closely to student wellbeing. This is why student attendance is a focus for all schools in the School Improvement Plan. All student attendance is closely monitored and strong student attendance is above 95%.

Please see the flyer below for information on updating the Sentral for Parents App.

https://lindfieldestps.schoolzineplus.com/_file/media/7392/sentral_for_parents_app_update_parent_flyer.pdf

Extended Absences

As the national and international borders start to open, we ask that families please be mindful of when you are withdrawing students for family holidays. We ask that these be kept to a

SRC Fundraiser - Menindee Disco

minimum. Any leave that needs to be taken over 5 days, will require families to complete an Extended Leave application at the office. As a school we do not advocate taking students away from their learning and absences for family holidays will be marked as explained unjustified.

Any absences due to illness longer than 3 days will require a doctor's certificate to be sent to the school.

Thank you for your support in maintaining positive attendance for all students at LEPS.

Congratulations to Josh N who has made it to the Sydney North trials where a team will be selected for the state Carnival. Good luck Josh!

Education Week 2022

https://lindfieldeastps.schoolzineplus.com/_file/media/7399/education_week.pdf

Zone Cross Country

We have received the zone cross country point scores and LEPS received 2nd place overall which is a remarkable achievement. The zone is comprised of 14 schools and we were runners up to Roseville PS. Well done to all our amazing cross country runners!

Overall Trophy

| School | Points | Place |
|----------------------------|--------|-------|
| Roseville | 2.21 | 1 |
| Lindfield East | 1.93 | 2 |
| West Pymble | 1.84 | 3 |
| Gordon West | 1.49 | 4 |
| Beaumont Rd | 1.473 | 5 |
| St Ives Park | 1.471 | 6 |
| Lindfield Learning Village | 1.45 | 7 |
| St Ives | 1.39 | 8 |
| Pymble | 1.35 | 9 |
| Gordon East | 1.15 | 10 |
| Killara | 1 | 11 |
| Lindfield | 0.88 | 12 |
| St Ives Nth | 0.62 | 13 |
| Chatswood | 0.53 | 14 |

Band News

What a busy fortnight it has been at Lindfield East PS! Week 8 saw the debut concert for the Training Band. These musicians have worked hard over the last two terms to master their instruments. It was wonderful to see the debut concert as these students finally were able to showcase their hard work. This week we had the string ensemble represent LEPS at Killara High School to join all the local schools for a combined concert. Local schools showcased their ensembles sharing the talents of their students. Events like these allow the students to take great pride in their ongoing music achievements and skill.

String Ensemble News

Sydney Eisteddfod,

The String Ensemble had a wonderful day representing Lindfield East PS at the Sydney Eisteddfod. The ensemble did not win on the day but both children and parents had such an unforgettable experience. Our performance was fantastic and it was great to see the others schools competing. The play list for the day was; the music of 'The Can Can' and 'Under The Sea'. Conducted by our own Bach String Ensemble's conductor, Miss Gabrielle Jung. We were also lucky to have our own LEPS ex-student (who is now in Year 10 at Killara High School), volunteering as the piano accompanist. It was held at Chatswood Concourse on 4 June 2022.

Killara High School performance

We had the KSP String Workshop organised by Ms Ann Dixon and Ms Grace Dale last Tuesday night. Although only half of our string students were able to attend, we had another amazing, invaluable experience of the children playing music together with the High School students and other local Primary Schools. Rachael Pettett and Layton Ho contributed their solo performances. Ms Diane Read enjoyed the string ensemble performance as they proudly represented our school.

PSSA Zone Soccer Trials

Creative Workshops Term 2 2022

Can you still enrol your child now? Yes you totally can! Please contact lepsc creativeworkshops.com before you enrol.

Creative Workshops Term 3 2022

Creative Workshops booking open this **SUNDAY 19 June at 8PM**. Mark your calendar as spots are limited so don't miss out! We have exciting new courses! Check out the term guide and our newly updated website <https://lepspandc.asn.au/term-2-2022/>

https://lindfieldeastps.schoolzineplus.com/_file/media/7394/cw_guide_term_3_2022_.pdf

Uniform Shop

Starting 15 June 2022, the uniform shop will be closed as our lovely Melissa goes on her well deserved holiday. You can still order all your uniform needs via our QKR app. Adele and Yuna will deliver your order to your child's teacher so make sure you enter your child's class name when you order. Orders will be delivered on Fridays only. Uniform shop will reopen as normal in Term 3. Any questions, please email uniforms@lepspandc.asn.au

Woolworths Junior Landcare Grant

LEPS has been selected as a recipient of a \$1000 grant Woolworths Junior Landcare Grant.

During lockdown and cohort restrictions we could not take students into the garden and unfortunately, the garden beds and Indigenous garden became overgrown and unappealing. Many weeds took hold and even though Mrs van Loon and Miss Gabell tried to keep it functioning and spent a few weekends tending to the gardens but it was too big a job.

Our project is titled "Eco Garden revisited" and the aim is to use the money to buy some gardening equipment, soil and seedlings to get the garden functioning once again and continue our tradition of encouraging students to be involved in sustainable food production. We plan to revitalise the indigenous garden and also improve the chicken shelters for the chickens and make the chicken runs easier to clean.

Mrs van Loon has already spoken to Joe about sourcing some soil to build up the garden beds, she will need to contact Mr Andrew Thomas at the Native nursery in Pennant Hills to source some plants to replace the few that have not successfully grown in the Indigenous garden

All students are encouraged to visit the Eco Garden Monday to Wednesday and join in the fun! Some students just want to pat the guinea pigs and rabbit but more & more are becoming interested in planting, caring for the plants and harvesting.

Mr Logan has been a great help in the Garden and will be helping Mrs van Loon work out the best plants for the students to grow.

The \$1000 will not be enough to pay for all the desired work however Ms Read has already agreed to help with financing the project if necessary.

Got It! Siblings

Eco Garden

Thank you again to those families who supported the Eco garden by buying fruit from our little orchard. The money raised will go towards buying seeds and seedlings.

Thank you to Oscar in 3NV and his family for looking after the guinea pigs recently.

Please email me if you would like your family to look after the girls for a weekend or in the holidays. We are looking for a family to look after them in the upcoming July holidays. They come with everything you might need, plus instructions.

If your kids are nagging you for a pet why not see if they would like to look after our guinea pigs for a few days?

It's a great way to teach responsibility and empathy towards animals. Plus, you can hand them back.

Please remember to bring in your bread tags and place them in the box near the Library back door. They all get sent off for recycling. So far LEPS have recycled over 1KG of bread tags!!!

Some sad news to share. Bobo our school rabbit has passed away. He had a lovely life being looked after and spoiled by many LEPS students. He lived to a ripe old age for a rabbit and will be missed.

Thank you to the students in 2PG who drew and wrote so many lovely things about Bobo.
